REQUEST FOR RECONSIDERATION

RECEIVED

MAY 22 2002

OFFICE OF PETITIONS

Sir:

In response to the decision on the Petition under 37 CFR 1.47(a) to accept the Declaration filed on December 31, 2001, Petitioners request reconsideration.

As indicated in that Petition inventor Richard Morisson cannot be located.

Richard Morisson last known address was:

15 BD Richemond
1400 Caen
France

As evidence that numerous attempts were made to locate Mr. Morisson to no avail, copies of e-mails dated August 31, 2001; September 11, 2001 and November 12, 2001 and letters dated April 18, 2001 and July 23, 2001 were attached to the Petition.

The decision indicated that further evidence was needed to establish that Mr. Morison could not be located. The decision indicated that a statement from Mrs. Lanslots and Mrs. Laublin (confirming the information in the e-mails and letters) would argue in favor of petitioners' inability to reach Mr. Morisson.

Attached hereto are Statements of Mrs. Lanslots and Mrs. Laublin.

Based upon this additional evidence, Petitioners' request favorable reconsideration.

Please charge any addition fees that may be due to deposit account 14-1270.

Respectfully submitted,
